**R**yan Kromholz & Manion, S.C. specializes in intellectual property law. The firm handles patents, trademarks, copyrights, trade secrets, unfair competition and related litigation. In the United States and abroad, RKM attorneys are dedicated to safeguarding their clients' intellectual property and providing them with the highest level of protection. The firm maintains offices in Brookfield and Fond du Lac.

**BREADTH OF EXPERIENCE** RKM successfully obtains patents, trademarks and copyrights on behalf of individuals and companies of every size. The firm counsels clients in the sale and licensing of their intellectual property rights and in matters of patent and trademark infringement. RKM attorneys are also first-class litigators—although they are adept at positioning clients to avoid the courtroom in the first place. RKM's dedication and achievements have earned it the highest-possible Martindale-Hubbell® rating.

**THE POWER OF KNOWLEDGE** RKM's lawyers have a wide range of real-world experience in business and industry, particularly technology

fields. From engineering to medical systems to geophysics, the firm has the expertise and knowledge to handle the most complex cases. Founding partners Daniel Ryan, Joseph Kromholz and John Manion lead this deeply educated, widely skilled team. In recognition of their expertise, Ryan, Kromholz and Manion, as well as associate Daniel Johnson, are listed in *Wisconsin Super Lawyers® & Rising Stars*.

### YOUR PROTECTION IS OUR PROFESSION

**Daniel D. Ryan** has practiced as a registered patent lawyer for nearly 30 years. His work encompasses all aspects of patent law, with a particular focus on medical technology. He has written and prosecuted several hundred U.S. patents, and he has successfully litigated many cases in federal courts. Ryan has been listed in *The Best Lawyers in America* every year since 1991.

**Joseph A. Kromholz** heads the firm's litigation department. With more than 18 years of experience in Wisconsin and throughout

the nation, he has litigated many intellectual property cases in highly technical fields. A registered patent attorney, Kromholz has a successful record helping clients enforce their patent and trademark rights and defending clients against charges of infringement.

**John M. Manion**, also a registered patent attorney for nearly 15 years, focuses on patent prosecution, infringement and validity, as well as trademark prosecution, copyrights and trade secrets. He has written and prosecuted numerous patents and has supervised the preparation and prosecution of many others, both in the United States and abroad. He also litigates intellectual property disputes. Manion is a past member of the Marquette University College of Engineering Alumni Board of Directors and a current member of the Marquette University Law School Alumni Board of Directors.
